Subject: Ladies Circle Conference

Hi Jolande

Please can you forward this mail to the owner.

Good Day Sir

I would like to bring to your attention the amazing experience my delegates had at the Inkwe Lodge this past weekend.

My international guests cannot stop talking about the venue and how professionally and with personal attention, this conference was run.

I especially commend Jolande and Louie on their constant communication with meal times and prompt response to any query or change in plan. They were an absolute pleasure to work with and they were around every time we needed them. They worked hard in ensuring a smoothly run conference and this is highly appreciated.

Everyone agreed the food was wonderful, the staff exceptionally friendly and many of the delegates are eager to return in the future.

Kind Regards
Chantess
